

Brian Anthony Wilson Memorial Scholarship 2021 Awards

Deadline for Application: April 17, 2021

About the Scholarship:

Brian Wilson graduated from Havre de Grace High School in May 2008. Brian was a huge part of the school community. He was active in three varsity sports, a member of Band and Chorus, a member of the National Honor Society, and a helping hand to all who needed one. He was tragically taken from all of us in June of 2008 by the irresponsible actions of a drunk driver. This scholarship was established by Brian's family to honor and remember Brian as an integral part of our community. The Wilson family hopes that this scholarship will help future graduates achieve their dreams of higher education; something that Brian was eagerly anticipating. The scholarship will go to the student or students who best replicate the amount of spirit, hard work and community service that Brian had achieved. The number of scholarships and the amount of each will vary year to year based on funds available and the strength of the applicants. In order to keep this scholarship available for years to come, the amount dispersed will be approximately one-half of what is available in the fund. Please always remember your family, friends and community as you begin your life's journey.
